Reinforcement Activities, Weekly Exams

Abeka

LANGUAGE ARTS

Reading and Literature

Oral reading
Reading comprehension
Vocabulary building
Teacher Directed Readings/Authors

Six Traits

Writing Process

Creative Writing
Writing, comparison/contrasts, poetry, outlines library research paper, narration, journal
Sentences and sentence parts

Easy Grammar

Grammar, punctuation and capitalization rules
Dictionary, thesaurus, and library skills
Recognizing, diagramming, and using all eight parts of speech

BJU Press

HISTORY AND GEOGRAPHY

In the Beginning	Ancient China	Mesoamerica
Mesopotamia	Ancient Persia	Ancient Africa
Ancient Egypt	Ancient Greece	Ancient Japan
Ancient Israel	Ancient Rome	The Middle Ages in Europe
Ancient India	The Byzantine Empire	A Kingdom from Shore to Shore

Purposeful Design

SCIENCE/HEALTH

Life Science: Diversity

Classification I
Classification II
Cell Processes
Heredity and Genetics

Physical Science: Structure

Periodic Table of the Elements
States of Matter
Fluids
Why Things Move

Earth and Space Science: Patterns

Oceans in Motion
Rock Records
Violent Motions
Astronomy

Human Body: Decisions

Interaction of Systems (Muscular, Skeletal, Nervous, The Senses)
Body Stewardship (Diet and Exercise, Nutrients)

Prentice Hall

MATHEMATICS

Whole Numbers and Decimals
Data and Graphs
Patterns and Variables
Number Theory and Fractions
Adding and Subtracting Fractions
Multiplying and Dividing Fractions

Ratios, Proportions, and Percents
Tools of Geometry
Geometry and Measurement
Exploring Probability
Integers
Equations and Inequalities

Specials

Choir
